### “Try Like Terry” Challenge Details:

Let’s get everyone involved in this year’s event to “try like Terry”. Encourage students to try any fun activity on their own to support their fundraising or you can even challenge another classroom in a friendly competition. ### Fundraising Tips For Your Classroom:

- 1) Share our school’s fundraising link socially or by email/letter with your classroom parents/caregivers and students.
- 2) Encourage your students to set up their own fundraising page under our school link. They’ll have fun editing it with a personal message, pics or even a video to share and connect with friends or family. \*
- 3) You can even set up a classroom page to challenge other classrooms to see who can raise more. \*

\*To set up a student or classroom page, go to your school’s online fundraising page for more info. All funds raised from student and classroom pages are added to our school total!
