Event Tips For School Run Organizers

Mark the Date:

Wednesday, September 29th or any day that works for you.

Fundraising Made Easy:

A customized fundraising link has been created for your school and emailed to your event organizer. If you need it to be resent, please contact your Provincial Terry Fox office and we'll have it sent out to you right away! Once you have your link, simply share it on your school website, social media or by email to your school community.

You can also find your school page by going to terryfox.org/schoolrun and entering your school name under "Find A School". Students and classrooms can also help by creating their own link under your school page and then share it with friends and family. For more info, see "Fundraising Tips For Teachers".

"Try Like Terry" Challenge

Terry said, "Anything is possible if you try", so this year why not take the "Try Like Terry" Challenge and get everyone involved? Students can take part individually, get classrooms to "try" a friendly competition or even host a school-wide challenge! The options are endless! See the "Try Like Terry" Challenge insert in this toolkit for more info or visit terryfox.org.

Book a Virtual Meet-Up with Terry's Brother, Fred

Join schools across Canada and register for an online Meet-Up with Fred Fox! Inspire and motivate your students as Fred shares his memories of growing up with Terry and his brother's legacy to raise funds for cancer research. To register, please go to: terryfox.org/schoolrun
