Fundraising tips for your classroom

1. Share our school's fundraising link on social media or by email/letter with your classroom parents/caregivers and students.
2. Encourage your students to set up their own fundraising pages under our school link. They'll have fun adding their own personal message, pics or even a video to share and connect with friends or family.*
3. You can even set up a classroom page to challenge other classrooms to see who can raise more.*

**To set up student or classroom pages, follow the prompts on your school's online fundraising page.*

"Try Like Terry" in your classroom
