

HOW TO SET UP A STUDENT FUNDRAISING PAGE:

1. Go to <https://terryfoxschoolrun.org>. Click on “Menu” then “Find a school.”
2. Find your school with the search bar and click on “Set Up A Page.”
3. Then on “Join this School Run.” If your classroom has a page, click on “Join a Classroom/team,” if not click on “Set up a personal page.”
4. Create Your Fundraising Page!
 - Name your page, something to motivate your run!
i.e. Juno Johns or Bennett's Big Fundraiser
 - * For a bilingual page, tick the box and enter corresponding names.
 - Set your fundraising goal.
 - Create a personal page link to use when sharing your page.
i.e. /page/junojohns
 - Edit your page with a unique message and/or photo!
 - Personalize your page with a creative banner, have fun with the creative tools!
 - * Make sure to use a photo with a 16x9 ratio (horizontal & rectangular).
 - * Instead of a photo, you can paste a video link as a banner.
5. Read and accept the **waiver**, then fill in your personal information.
6. **Create an account** for the person in charge of receiving emails, whether it be your parent or guardian, or yourself. They need to enter their email and name, and create a password.
7. To **share** your page, click on your desired sharing method and follow the on-screen instructions.

Important!

Bookmark your **page link** (sent to your email) to access your page in the future!
