

Dear Parents/Caregivers:

The 2026 Terry Fox School Run is just around the corner, and we are very excited to be part of this incredible event. Together, we can make a meaningful difference in the fight against cancer while empowering our students to become compassionate changemakers in our community.

Our Terry Fox School Run will take place on:

Our school's fundraising goal is: \$

Our school's online fundraising page is:

Every dollar raised supports vital cancer research, bringing us closer to a world without cancer.

Here's how to help your child make their impact:

1. Donate online:

- Click the link above to donate or go to "Find a School" at terryfoxschoolrun.org
- You can make a general donation to the school or donate to a student or classroom page under the school link.
- Receipts are emailed immediately to online donors from the Terry Fox Foundation.
- Double Your Donation! Many Canadian employers match employee donations. During the online donation process, there is an option to enter your employer's name to see if they participate. If eligible, your employer will be notified and invited to match your donation. *Please note: employer matching donations will not appear on your school's **online** fundraising page as matching funds are processed and transferred to the Terry Fox Foundation separately. These funds are however added to your school's overall fundraising total once they are received later.*

2. Fundraise:

- Create a student fundraising page under your school's fundraising page.
- Click "Set Up a Classroom or Student Page" and follow the prompts to get started.
- Personalize the page by adding photos, videos, or a fun message to share.
- All student pages, login credentials, and links are private and not searchable.
- Student pages can only be accessed through the direct link shared by you or your child.
- Share your child's page with family, friends and colleagues to help them reach their goal.

We encourage every family to get involved by fundraising, donating and cheering on our students. Every donation, big or small, helps fund life-saving cancer research and carries forward Terry's dream of a world without cancer. Together we can make a difference and ***Finish It!***
